"Appetizers," "Reatorers," &c., that leaft the tippler on to drunkenness and ruin, but are a true Medicine, made from the Rative Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and LIFE GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter, and restoring the blood to a healthy condition. No person can take these Bitters, according to directions, and remain long timvell.

\$100 will begiven for an incurable case, providing the bones are not destroyed by mineral poisons or other means, that the vital organs wasted beyond the point of repair.

For Inflammatory and Chronic Rhenmatism, and Gout. Dyspepsia, or Indigestion. Bilious, Remittent, and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

They invigorate the stomach, and stimulate the torpid liver and bowels, which reader them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.
